

Mission

Our mission is to educate and inspire children and the community to make positive oral and overall health choices to achieve optimum health.

2014 Annual Report

Program Accomplishments

Founded in 1977, the Delta Dental Health Theatre (DDHT) has served over 960,171 visitors. In 2014, 175 shows were performed and almost 20,000 children and caregivers served. Our unique design, blending education and entertainment, promises to inspire children and adults to take care of their oral health, make healthy food choices, and be motivated to get 60 minutes of active play daily.

In 2014, DDHT signed a contract with HealthWorks! Kids Museum to bring 10 new programs to our Theatre. The programs combine health education with entertainment and expands our reach to include pre-k up to 8th grade programs. HealthWorks programs seeks to Infectiously contaminate kids of all ages, everywhere, to learn, have fun, and make great life choices. Programs will cover the body systems, digestion, nutrition, safety, oral health, and many more. DDHT will continue to offer our current YouCan Toucan program and Healthy Hints for Healthy Living program. As well as to work diligently to secure the capital funds to expand into a full children's health museum.

YouCan the Toucan – Children enjoy the funny wit of our animatronic bird named YouCan the Toucan. He alongside an educator provides a show filled with laughter, songs and lots of interaction. This show covers topics like proper oral health techniques, eating healthy, and exercising.

Healthy Hints for Healthy Living – In 2011, Healthy Hints for Healthy Living was created to fill the need of schools that were unable to travel to our Theatre due to budget constraints. We take the same level of fun and excitement to the school.

Board of Directors

Dr. Charles Poeschl, DDS, President
Dr. Emily Brown, DDS, Vice President
Christena M. Clauss, RDH, Secretary
Dr. Pat Wilson, DDS, Treasurer
Richelle S. Clark, BSN, MHA, MBA
Dr. Mark Fernandez, DDS
Joel P. Green JD, MBA
Ms. Monica Green
